

Make the Move to Theodora Oringer

Helen M. Cho, Esq.

“I joined TO after leaving a national firm to practice in a more flexible and supportive environment where I could continue to work on complex, challenging cases. I’ve never been happier.”

You’ve been at a national firm for a while. You’re at the top of your game, but you feel somewhat stifled by the rates you must charge, client conflicts, and lack of personal support or recognition. Consider Theodora Oringer.

Scores of former big firm lawyers who moved to our firm call us the best of both worlds. Big enough to have a stellar client list and track record in bet-the-company matters. Small enough to provide competitive rates and the collegial atmosphere and personal support you crave. Considering a change?
