
Theodora Oringher's Antitrust, Trade Secrets and Unfair Competition Practice Group serves clients in a broad array of industries in significant areas of antitrust and trade regulation law such as private antitrust, trade secrets and unfair competition litigation; class action treble damage litigation; and trade regulation matters involving consumer protection. In addition, we advise and represent clients on competition issues, executive departures, mergers, and investigations. Theodora Oringher represents clients in federal and state courts litigating cutting edge issues and ordinary commercial disputes in this field.
